pre-print  
**target plus**

## target plus pre-print

---

Target Plus pre-print is an exceptionally white, uncoated laser paper, guaranteed for offset pre-printing and subsequent use on all digital laser printers and copiers.

## benefits

---

- remarkable whiteness
- superb bulk, opacity and formation
- outstanding offset printability
- even-sided and smooth: ideal for two-side imaging
- guaranteed for use on all leading laser printers and copiers
- FSC certified

## paper range chart

---

	gsm 80	gsm 90	gsm 100	gsm 110
SRA2	△	△	△	△
A3	△	△	△	
A4	△	△	△	

## technical data

---

	gsm 80	gsm 90	gsm 100	gsm 110
Thickness (mic)	106	116	123	134
Opacity (%)	94	95	96	97
Whiteness (CIE)	171	171	171	171
Smoothness (Bendtsen ml/min)	160	140	140	120

## application

---

Target Plus Pre-print is specifically designed for optimum performance on both offset presses and digital laser printers, making it the ideal choice for letterheads, pre-printed documents and indeed any application where outstanding whiteness will enhance the final product.

## environment

---

Target Plus Pre-print is FSC certified and is manufactured from **eucalyptus globulus** pulp in Portugal by grupo Portucel Soporcel, one of Europe's leading makers of high specification uncoated papers. The mill has outstanding environmental credentials including FSC and ISO 14001.
