Application

The ideal choice for any high quality full colour offset- printed matter such as bound brochures, annual reports, colour catalogues etc. Well suited to lamination, embossing, cutting & creasing, hot foil blocking, die-stamping and varnishing.

Environment

Symbol Freelife is manufactured from FSC pulps, of which a minimum of 25% will be made from recycled fibre. The paper is manufactured in Italy at one of Fedrigoni's ISO 14001 and ISO 9001 certified paper mills.

Symbol Soho: Digital Coated

Benefits

The digital version of Symbol Freelife, guaranteed for use on all leading toner-based xerographic printers.
